This guy called to argue about your Daily Breeze piece. What do you think, is this block usually littered?  
Can we clean it up?  
fyi-I should have an answer on the street banners soon. Can you meet w Vahik and Waters office on May 20 at 11am?

nate

enjoyed speaking with you today.  
don duckworth is not totally correct to insist that the bid area sidewalks are clean and trash free.  
the first block south of sepulveda and manchester is littered with trash and pigeon droppings.  
these particular businesses all open onto the parking lot west of sepulveda.  
perhaps the bid council  
could focus on this ongoing problem.
